Capitol Square Healthcare Will Offer Free Flu Shots Starting September 18

Capitol Square Healthcare will participate this year in the free flu shot program, which will be available to all state health plan members. State employees and non-Medicare eligible retirees may make appointments beginning September 18 at www.capitolsquarehealthcare.com. While appointments are encouraged, walk-ins will be accepted every Tuesday between 8:00 am and 3:00 pm at the clinic in the James Monroe Building, Richmond. COVA Care, COVA HealthAware and COVA HDHP members will receive a flu shot at no cost. Other plan members, wage employees and those without state health coverage will pay \$16 for the actual cost of the vaccine.
